Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the fund's offering documents before investing. The performance data provided assumes reinvestment of distributions only and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns. No management fees are payable by the fund in respect of Series O units. Unitholders of Series O units pay a negotiated fee directly or indirectly to RBC GAM Inc. Series O performance is gross of management fees.

Except as otherwise noted, the indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns.
