Disclosure

This information is not intended to be an offer or solicitation to buy or sell securities or to participate in or subscribe for any service. No securities are being offered, except pursuant and subject to the respective offering documents and subscription materials, which may be provided to qualified investors only. This document is for general information only and is not, nor does it purport to be, professional advice or a complete description of an investment in any fund managed by RBC Global Asset Management Inc. (RBC GAM Inc.). If there is an inconsistency between this document and the respective offering documents, the provisions of the respective offering documents shall prevail. Information obtained from third parties is believed to be reliable, but no representation or warranty, express or implied, is made by RBC GAM Inc., its affiliates or any other person as to its accuracy, completeness or correctness. RBC GAM Inc. and its affiliates assume no responsibility for any errors or omissions.

Investments in alternative funds are speculative and involve significant risk of loss of all or a substantial amount of your investment. Alternative funds may: (i) engage in leverage and other speculative investment practices that may increase the risk of investment loss; (ii) can be highly illiquid; (iii) are not required to provide periodic pricing or valuation information to investors; and (iv) are not subject to the same regulatory requirements as prospectus-offered mutual funds. In assessing the suitability of this investment, investors should carefully consider their personal circumstances including time horizon, liquidity needs, portfolio size, income, investment knowledge and attitude toward price fluctuations. Investors should consult their professional advisors and consultants regarding any tax, accounting, legal or financial considerations before making a decision as to whether the funds mentioned in this material are a suitable investment for them.

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the fund's offering documents before investing. The performance data provided assumes reinvestment of distributions only and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns. The rates of return for periods of less than one year are simple rates of return. Past performance may not be repeated.

Series O units are available to individuals, institutional clients or dealers who have entered into an agreement directly with RBC GAM Inc. No management fees are payable by the fund in respect of Series O units. Unitholders of Series O units pay a negotiated fee directly or indirectly to RBC GAM Inc. Series O performance is gross of management fees.

Except as otherwise noted, the indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns.

The fund profile is provided for informational purposes only. Particular investments and/or trading strategies should be evaluated relative to each individual's investment objectives. The information contained in the fund profile is not, and should not be construed as, investment or tax advice. You should not act or rely on the information contained in the fund profile without seeking the advice of an appropriate professional advisor.

This document has been compiled by RBC GAM Inc. from sources believed to be reliable, but no representations or warranty, express or implied, are made by RBC GAM Inc., its affiliates or any other person as to its accuracy, completeness or correctness. All opinions and estimates constitute RBC GAM Inc.'s judgment as of the date of this document, are subject to change without notice and are provided in good faith but without legal responsibility.

If presented, graphs are only used to illustrate the effects of the compound growth rate and do not reflect future values of any fund or returns on investment of any fund. Growth of \$100K chart shown represents a hypothetical investment of the Fund over the last 10 years, or from the last day of the since inception month for funds with less than 10 years performance history. The chart assumes reinvestment of all distributions and is net of fees.

MER (%) for this fund is based on actual expenses for the preceding calendar year or most recent half-year period ended June 30 expressed on an annualized basis, depending on availability of data at the time of publication. Net asset figures include all series of a fund. Fund category is determined by the Canadian Investment Funds Standards Committee (CIFSC).

Quartile rankings and equity style box information are determined by Morningstar Research Inc., an independent research firm. Quartile rankings are comparisons of the performance of a fund to other funds in the applicable Fund category and are subject to change monthly. The quartiles divide the data into four equal segments expressed in terms of rank (1, 2, 3 or 4). The Morningstar Equity Style Box™ is a nine-square grid that illustrates the investment style of a security.
