

RBC Long/Short North American Equity Fund

2024 SUBSCRIPTION AND REDEMPTION DATES

Trading Considerations:

Please note that **switches** are not permitted within this Fund.

Note on Subscriptions:

Subscriptions can be placed any time before the Trade Deadline and the funding for these purchases must be provided on Settlement Date, as per the table below.

Series F and O units are each a performance fee-based series of units. To enable us to equitably charge performance fees that are based on the performance attained from the date on which units are purchased, a new sub-series of units of Series F and O units will be issued each month. Fund codes for each sub-series are listed in the table below.

At the end of each year and depending on the performance of each sub-series, some or all of the outstanding sub-series of the Series F and O units may be consolidated into a single respective sub-series, at the discretion of RBC GAM. Please see the Offering Memorandum of the Fund for additional information on performance fees and how they are calculated.
